RE: *Lipari v. GE et al.* Case No. 07-0849-CV-W-FJG

Dear Jeff

Your letter dated April 29, 2008 to me about not contacting Mr. Hinkle reveals a startling unfamiliarity with the law or facts of this case, much less Mr. Hinkle's words to me. The most fundamental problem is that you and the US Attorney represent the government and cannot represent Mr. Schlozman a private individual being sued in his capacity as an agent of the RNC.

If leave is granted to amend the complaint to include Sprint and AT&T, the government may then have an interest in protecting its surveillance program and may petition for leave of the court to intervene but not as a representative of any private party of this case (Sprint and AT&T as government contractors don't even have qualified immunity).

Your duty is to file a complaint with the USDOJ Office of Professional

Responsibility against Mr. Wood for directing you to intervene as a representative of a private citizen where the government does not have jurisdiction. Any threat or action you attempt to take against me under the guise of Mr. Schlozman's representative will be a violation of my rights under the clearly established law of this circuit.

Sincerely,  
Samuel Lipari
