Attached is my settlement brief with three volumes of evidence. I would suggest a meeting with the senior partners of STK and the CEO of US Bank. I believe they will find the attached documents extremely disturbing. I would also like to see a massive effort to meet my settlement request by Friday, February 15th 2008 at 4:00 pm. I believe my settlement request is not only acceptable but fair considering it would also serve to diminish discussions with the Senate Judiciary, Reviewing Courts and Publications. If I had not been forced to answer the minute order on 2/1/2008 this Settlement Brief would have been submitted last week. Thank you for your attention to this matter. Best regards, S~
