Dear Mr. John Gilles and Missouri Board of Governors, I am providing you with notice of evidentiary documents illustrating the continued public corruption, business interference and obstruction of justice in my Federal and State litigation. <http://www.medicalsupplychain.com/news.htm>

#### Federal Litigation

#### State Litigation

<http://www.medicalsupplychain.com/Lipari%20v%20Novation%20Appeal%20WD-70832.htm>

The attached pdf are proof of the continued interference by Federal and State agencies. The attachment “Web Site Report For medicalsupplychain.com.pdf” is a “mirrored server” report for documents being reviewed on my web site <http://www.medicalsupplychain.com>

Old

I changed all of the file names last week and removed the parentheses surrounding the case numbers [http://www.medicalsupplychain.com/lipari%20v%20novation%20appeal%20\(wd-70832\).htm](http://www.medicalsupplychain.com/lipari%20v%20novation%20appeal%20(wd-70832).htm) Attached Medical Supply Chain (News).pdf

New

After I made the changes last week the links now read without the parentheses surrounding the case numbers <http://www.medicalsupplychain.com/Lipari%20v%20Novation%20Appeal%20WD-70832.htm> Attached Medical Supply Chain News.pdf

I can only assume nothing has changed since I have given Federal and State agencies notice over and over and posted notices under the user names ASP64064 and MSC2007 on Democratic Underground before you had me kicked off to protect your colleagues and buddies!

Will someone explain to me what the hell is going on and why I am reading old “mirrored server reports”? This is more criminal conduct just like the threats on my life

[http://www.democraticunderground.com/discuss/duboard.php?az=view\\_all&address=224x3652](http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=224x3652)

Intimidating my little sister with no phone service for a week even though I gave notice to the Board of Governors; and the continued interference with my residence and livelihood

[http://www.democraticunderground.com/discuss/duboard.php?az=view\\_all&address=224x3776](http://www.democraticunderground.com/discuss/duboard.php?az=view_all&address=224x3776)

WTF are you people doing and why are all of you continuing to enable this criminal conduct from your colleagues and buddies!! What a disgrace this is to our law enforcement and legal profession. This is nothing but a criminal enterprise protected by our government, your colleagues and buddies!!!
