Sam-

We are required to jointly submit a draft Pre-Trial Order to Judge Waxse by July 23. Mark and I have prepared a draft with our sections completed, and I attach it to this email. Please complete the sections related to the plaintiff and let me know if you have any other edits or comments. The form is downloaded from the Court's website and I have left in the instructional comments for explanation.

I would like to have your edits back by Tuesday morning, 7/22. That will allow us to confer as to any disputes, make any further edits and get it to Judge Waxse by 7/23. Let me know if you have any questions. Thanks.

Jay
