Sam-

Per the hearing last Wednesday, we must submit a Draft Joint Pre-trial Order to Judge Waxse no later than August 11. We have drafted our sections and attach it to this email. Please fill in the sections for your claims and return it with your comments no later than August 7. This will hopefully give us sufficient time to make the necessary edits and attempt to resolve any disputes before submitting it to Judge Waxse on August 11. Thanks.

Jay
