Pursuant to Missouri Rules of Civil Procedure Rule 56.01(a), Samuel K. Lipari submits the following requests for documents to General Electric Company, General Electric Capital Business Asset Funding Corp., and GE Transportation Systems Global Signaling, L.L.C. to produce on February 19th at 1:00pm at the offices of Samuel K. Lipari located at 297 NE Bayview, Lee's Summit, Missouri, 64064.

DEFINITIONS

1. The term "you" or "your" refers to General Electric Company, General Electric Capital Business Asset Funding Corp. and GE Transportation Systems Global Signaling, L.L.C. and each of its affiliates, attorneys, law firms, accountants, divisions, subdivisions, predecessors, directors, officers, employees, agents, real estate agencies, representatives and all persons acting or purporting to act on General Electric Company, General Electric Capital Business Asset Funding Corp. and GE Transportation Systems Global Signaling, L.L.C..

2. The term "document" means any writing or recording as defined in Rule 1001 of the Federal Rules of Evidence, including any drafts, revisions and computer-readable material.

3. The term "persons" refers to natural persons, proprietorships, corporations, partnerships, trusts, joint venture groups, associations and organizations.

4. "Relating to" and "relates to" mean, without limitation, relating to, concerning, constituting, mentioning, referring to, describing, summarizing, evidencing, listing, relevant to, demonstrating, tending to prove or disprove, or explain.

5. "Correspondence" means any letter, memorandum or other writing in electronic, storage media or paper.

6. "Communication" or "communications" includes, without limitation, in-person or telephone conversations, telegrams, telexes, email, tapes, or other sound recordings or means of transmitting information from one source to another.

7. The connectives "and" and "or" mean either disjunctively or conjunctively as necessary to bring within the scope of the discovery request all responses that might otherwise be construed to be outside of its scope.

8. The use of the singular includes the plural, and vice versa.

9. The use of one gender includes all others, appropriate in the context.

10. The paragraph symbol ¶ followed by a number refers to a paragraph in the plaintiff's petition.

INSTRUCTIONS

1. The relevant time period of these requests is from January 1, 2003 to January 18th, 2007, except for documents related to GE's strategy to compete against internet hospital suppliers and documents related to litigation involving McCook Metals, Michael Lynch or hospital supply antitrust investigations of GE, related entities or their subsidiaries and shall include all documents which relate or refer to this period even though prepared before or subsequent to that period.

2. If you object to furnishing any requested document on the ground of privilege, immunity, work product or otherwise, please provide a written statement in which you identify the specific ground on which your objection is based and the document objected to by furnishing its date, author, recipient, a general description of the subject matter of the document and the reason why the document is protected.

3. Notwithstanding your objection, you must disclose any objected to evidence containing nonobjectionable matter which is relevant, and material to the discovery requests, but you may withhold the portion for which you assert the objection, subject to further request or motion, provided that you furnish the above-requested identification.

4. If you later discover additional responsive documents, you are obligated to supplement your responses pursuant to Rule

56.01(e)(1), Rule 56.01(e)(2) or pursuant to any later imposed order of the court.

5. All documents created electronically or copied, archived or communicated electronically must be delivered to the plaintiff in electronic form as a digital document in a PC readable format on disk, cd or other digital storage medium for commercially available drives, this includes all documents created with word processor software.

6. If the original document's data or metadata concerning the document requires software other than that utilized by Microsoft Office, a copy of the software must be delivered with the data.

7. If any document is provided in paper format a log must be presented identifying the records custodian responsible for the document, their address and the persons knowledgeable of its chain of delivery who can testify that the document was not originated electronically, transmitted or stored in digital format by the GE defendants or their agents or law firms.
