### Mr. Holder, US Bank, GE, Novation, Defending Firms and Missouri Governors:

I do not appreciate the latest stunt after I provided undisputable evidence of obstructing justice in my 8 year litigation.

The benefits of investing in employee health

My defendants US Bank, GE, Novation, Lathrop & Gage, Polsinelli Shughart, Hush Blackwell Sanders, St. Luke's Hospital System, City of Lee's Summit, FBI Field Office and the DOJ office continue to participate in a failed scheme left over from USA Bradley Schlozman and John Wood to destroy me and my company Medical Supply Chain.

For 8 years the task force and defendants have targeted my family (shutting my little sisters phones off last week while her husband and son were away at scout camp), friends (two years Susan Gauch and Melissa Streeter providing feed back for potential associates or targets), business (blocking IP for sales and capital) and now fraudulently evicting me with an action to destroy my credit. <http://www.medicalsupplychain.com/pdf/Novation%20DOJ%20...>

That is any credit not destroyed by The Task Force participation with The Bank of The West, Sprint, AT&T and Comcast.
