Mr. Eric H. Holder Jr.  
 U.S. Attorney General  
 U.S. Department of Justice  
 950 Pennsylvania Avenue, NW  
 Washington, DC 20530-0001

Dear Mr. Attorney General Eric H. Holder Jr.,

Due to my belief in the rule of law, I requested your assistance on February 14, 2009. That request has been met with the same result as the past eight years; a lawless power that is more sinister than anything I could have ever imagined.

As a youngster during church, I sat on the lap of the former FBI Director Clearance Kelly who continues to be remembered as a very close and dear friend of my family. My family and I are convinced that if Clearance were alive today there would be enforcement of our laws and justice would prevail. My family, friends and associated are horrified by the lawless results over these past eight years, not to mention the economic devastation and loss of life caused by runaway health care costs. Regardless of my continued hardships, I personally find strength in doing the right thing and pursuing a just outcome.

After eight years of research and presenting evidence, the courts have not made one decision based on publicly known facts or the law. As a result, my research and legal representations have been twisted and misrepresented to accommodate the defendants with lawless outcomes. How does this happen?

The following link is an evidentiary conversation with Mr. Rick Sharp outlining what has happened to our Healthcare system. Mr. Sharp is a Kansas attorney employed by former Kansas Governor and newly appointed HHS director Mrs. Kathleen Sibelius.

Again, I know you are extremely busy with the clean up of the previous administration but could you, would you, look into these matters and advise me as a person, a family man, a U.S. Citizen, and my Attorney General what I can do to help resolve these issues. For eight years I have desperately tried to enter the U.S. Healthcare market and provide lower healthcare cost for the citizens of this great country only to be interfered with at every juncture.

Thank you for your attention to these matters.

Sincerely, Samuel K. Lipari
