Mr. Power, Let's arrange for a mediation conference as required by the court. I am open to considering whoever you suggest as a mediator. However I am concerned that you have a representative of GE with the authority to settle our present claims. In our last mediation in the Tenth Circuit you appeared to have no authority and GE did not seem to even know the mediation was taking place. I will be out of town June 20th thru the 28th. Anytime between the June 28th and July 5th is good for me. S~
